

Child Care Immunization Form

Must be on file before a child attends child care

Name _____ Birthdate _____

Date of Enrollment _____

Minnesota law requires children enrolled in child care to be immunized against certain diseases or file a legal medical or conscientious exemption.

Parent/Guardian:

You may attach a copy of the child's immunization history to this form OR enter the MONTH, DAY, and YEAR for all vaccines your child received. Enter MED to indicate vaccines that are medically contraindicated including a history of disease, or laboratory evidence of immunity and CO for vaccines that are contrary to parent or guardian's conscientiously held beliefs.

Sign or obtain appropriate signatures on reverse. Complete section 1A or 1B to certify immunization status and section 2A to document medical exemptions (including a history of varicella disease) and 2B to document a conscientious exemption.

For updated copies of your child's vaccination history, talk to your doctor or call the Minnesota Immunization Information Connection (MIIC) at 651-201-5503 or 800-657-3970.
